Rock Climbing Gym Volunteer

Maintained gym and equipment and belayed climbers

August 2018 – May 2019

WORK EXPERIENCE

Associate Designer, Slavik Ralph Design Studio

Draft residential plans, elevations, and 3D models using ArchiCAD and Revit.
Assist in zoning/code research, coordinate with consultants, and support client presentations. Contribute to pre-design studies, design development, and construction documentation sets.

Austin, TX, September 2025 – present

Architectural Drafter & Project Assistant (Contract), Vitek McIver Homes

Draft residential plans, elevations, and 3D models in Revit for projects. Perform Bluebeam take-offs, coordinate subcontractor bids, organized quotes, installed office elements, and assist with punch lists.

Austin, TX, February 2025 – September 2025

Carpenter Assistant, Davidson Cabinet Co.

Constructed and installed custom cabinet boxes and doors for residential projects.
Assisted in shop organization, maintained tools, and supported on-site installations to ensure quality craftsmanship and smooth workflow.

Austin, TX, January – February 2025

Architectural Resident, Page

Conducted design research, developed diagrams, and produced drawings across project phases. Compiled data for presentations and assisted with organizing digital files and resources for the design team.

Austin, TX, February – August 2024

SKILLS

Rhino | **Revit** | **AutoCAD** | **Enscape** | **Adobe Suite** | **Microsoft Office** | **Hand sketching** | **Modeling**
